

## 2017 SEPTEMBER MATCH REPORT

On the 4th, Fran and I played in the Champion of Champion Pairs at Rydalmere. We were trailing 11 to 4 before we started clawing our way back into the match, breaking even on the 15th end at 14/14 then loosing the last three ends to go down 14/20.

The final of the Club Triples was played on the 7th between Brenda Campbell (sub for Sue Jackson), Christie Williams and Reta South and Sylvia's team of Yvonne Chapman and Nell Casson. Once again it was cold and windy and the match could have gone either way. In the end it was Reta's team who prevailed after Sylvia's team, holding two shots on the final end with the skips last two bowls to come which would win the match or force an extra end, until Reta sent down a weighted shot taking the jack and the match.

In the District Past President Minor Singles Pam Christensen defeated Beryl Oates, and Margaret Pemberton had a win over Lynne Boshier. The next round saw Bev Clayton go down while Fran won against Elizabeth Pace from Crookwell and Margaret Pemberton have a win against Pam Christensen . In the semi's, both Fran and Margaret had wins and are now set for an all Bowral Final. Unfortunately, the final was played at Bargo, robbing us of being able to watch the match. This year, Fran won 25 to 9, with Margaret coming second. Well done to both Ladies.

I have to say what a great little club we have. The support everyone gave on our Tulip Day was fantastic. It's a lot of work to organise such an event and everyone chipped in. We had twenty two teams altogether, three from Canberra, Camden and Crookwell, four from Goulburn and one from Ingleburn. Bowral had seven teams which is most of our bowlers. This year, first place went to J. Doherty's Camden team, my team of Fran, Alison and Marg Pemberton came second and third place went to Sandy Richards Tuggeranong Vikings team.

On Thursday 28th we had our monthly mixed day. Would you believe it was windy again with a few drops of rain added to the mix. It still didn't stop the faithful, with 19 bowlers still enjoying the day.
