

## 2018 JANUARY MATCH REPORT

Well, we're off in full swing with 31 players turning up for the first day of play in 2018 and 34 bowlers on the second day. Our first two games were pennant trials with 16 places up for grabs. Most of our matches for the time being will be played with two bowls only, so make them count.

In their first match of the District Open Fours, Enid's team of Ann, Shylie and Pam Christensen had a great win defeating Dot Wilson's Goulburn team 18 to 17 but then lost their next match.

In the District Senior Fours, Christie, Fran, Reta and myself were leading 16 / 1 against Sylvia, Marian, Nell and Elizabeth when Marian felt unwell and could not continue to play giving us a forfeit. In the final we played Suzanne Reedy's team of Janet Cronker, Janet Cramp and Sandra Mc Donnell from Crookwell and won 31 to 11. A bit of controversy followed the match but in the end we were given the win.

In the Open Fours, Margaret Lawless Goulburn team were the winners after they defeated Crookwell's June Howard's team in the final.

While the weather has been in the 30's our numbers have been high and some good games of social have been had.
