

# BOWRAL BOWLING CLUB

---

## BOTTLESHOP NOW OPEN

Dear Members,

As you well aware with the occurrence of COVID-19 the Bowling Club has had to temporarily close until social restrictions are lifted.

To try to keep some revenue flowing into the Club we have been working hard to set up as a functioning bottleshop, providing take-away beer, wines and spirits to be enjoyed at home. With all your favourite labels that you are used to being stocked in the Club bar, we are still activating a Members' discount and points accumulator upon presentation of your Club card (or card number if placing an order over the phone). There are some great deals to be had!

You will find great multi-buy promotions (see our [Facebook](#) page or [Instagram](#) Highlights for the latest) and very competitive prices.

**On top of this we are also starting to stock some of the fantastic Southern Highlands wines - with Tertini, Cherry Tree Hill and Cuttaway Hill already set to hit our fridges this week. What a great way to support local - both your Club and our Region's winemakers!**
