

Beecroft Visit

The Annual Bowral Cup Challenge.

On Sunday 7th August, after much organisation by Bowls Secretary Robin Staples, Marulan coaches duly arrived to collect our enthusiastic bowlers.

The required minimum of 30 bowlers had been surpassed, only for several to succumb to illness and the final count was 28.

After a smooth trip up the highway and much manoeuvring around the narrow backroads and tiny roundabouts of Beecroft, we experienced a warm welcome from members of Beecroft Bowling Club. As always a lovely morning tea was enjoyed by all and we all found our places for a warm up game before lunch. The greens were very damp after overnight rain, therefore slow, but of course a fun time to get to know some of our hosts and the weather was kind.

We Board Members who were there, couldn't help noting features such as; their bubbler/water syphon, the surface on their ramps, the way the surrounds have been installed. The seating with canopy shades, signs on their scoring stands and their attractive garden.

Of course we were there to enjoy the day and didn't we enjoy the delicious two course luncheon! You guessed it, we were all lulled into a false sense of security and were beaten roundly by our hosts in the afternoon match!

The Bowral Cup still resides at Beecroft Bowling Club until we challenge once again, at home in Bowral next year. Following an after match drink and chat and winning more than our share of the raffle prizes, we set off once again on a comfortable journey home. Thanks once again to our mixed match committee, who paid for the coach. E.J.
