We have extra sanitising stations to be delivered this week, staff will be ensuring common surfaces are frequently wiped down and there are still some social distancing rules which need to be followed:

- A maximum of 50 people in the venue at one time (a sign in/out register may be required)
- A maximum of 10 people per table will be allowed
- Patrons are requested to remain seated when possible and not swap between groups
- Payment by card where possible is encouraged
- Please do not visit the Club if you are sick

Please remain patient with staff and management as we journey through this transitional period. There may be some changes to the way in which we operate and some things may feel more difficult around the Club than you are used to. We understand everyone is excited to get out of the house and we welcome you with open arms, please help us work together to keep everyone safe.

**Bookings are strongly encouraged to avoid
disappointment.**
