

Pennant Update.

Congratulations to the Bowral Bowling Club Grade 3 Pennant team who have clinched the Grade 3 Section 1 title. The team have finished with a winning margin of 22 points. Next step is to win the Zone 5 playoff series.

The Bowral Bowling Club Grade 6 team is currently leading the Grade 6 Section 3 competition. They are leading by 12.5 points. This weekend the teams play Campbelltown City and a win should help consolidate their position. There are four rounds to go with one round a bye.

The Bowral Bowling Club Grade 7 team are running third on the table. A win over Camden RSL last week, who were leading the competition, has improved their chances. However, the team will need to beat Campbelltown City this weekend if they are to stand a chance of winning the section. Campbelltown are the current leaders. There are four rounds more to be played in this section.
