

Pennants Update Week 9

Week 9 at Bowral can only be described as a disappointing weekend. Grade 6 team has dropped to second on the ladder and can only win if Teralga falter at the last hurdle. The Grade 7 won one match but lost the other and can no longer top the table.

The grade 6 Bowral team travelled to Teralga for a must win game against the second placed team. The team was met by a freezing cold win and an extremely slow green. This proved a distinct advantage to Teralga who won 9.5 to 0.5. Kevin Stafford's team managed a draw for half a point but the other two teams lost. Final score was Teralga 57 and Bowral 42. In the other match Camden defeated Campbelltown City by 59-57 thereby ending Campbelltown's chances. Teralga now leads the ladder with 47 points and Bowral 42. So for Bowral to head the ladder after next week's final round Bowral has to win against Camden and Teralga has to lose to Robertson.

In Grade 7 Bowral played Picton at home and were defeated by 55-61. On Sunday the delayed match against Bargo was played and resulted in a win for Bowral 59-55. The Ladder now has Campbelltown City on top with 70 points, followed by Camden RSL on 62. Bowral are third on 47.5 with Picton fourth on 42.5. The Final round has Bowral against Camden and the grade 7 section 3 winner will be decided by the match between Campbelltown City and Camden RSL.
