

2019 NOVEMBER / DECEMBER MATCH REPORT

The Club fours which started at the end of October were finished off this month. All teams played some great bowls and most of the matches were close.

In the semi Final's, with the wind howling down the green, Elaine Jones team of Pam Wood, Lurleen Oaks and Carol Dunwell were narrowly beaten by 2 shots by Alison, Lorna, Marian and Sylvia 18/20. In the other half, Lynne ,Fran, Reta and Myself won against Fay, Pam C, Ann and Enid with a 25/16 win.

The final was played Tuesday the 12th and once again 40 K + winds made playing difficult. The score was 8 all after 11 ends before Gail's team pulled away to win the Final 25/9.

On the 14th, Bowral hosted the District 70th Birthday. What a day, 66 players and 12 non players turned up to support our small district. The Bowral ladies excelled themselves putting on a beautiful morning tea. Using paddle pop sticks to mix up the clubs, a beautiful summers day and a lovely lunch who could ask for more.

Two teams from Bowral played in the Crookwell open fours with both having good matches.

In the Mixed pairs, played as a round robin on the last few Sunday mornings, Shylie Brown and Harold Hall played Sylvia and Keven Stafford in the Final with Sylvia and Keven winning the match by three shots.

The Major / Minor Rotating Pairs was played over three playing days with all players turning up for all matches. The numbers were a little lower than last year, but the competition just as strong. The winning Major this year was Gail Fraser with Sylvia Handley runner-up. Pam Christensen won the Minors and Irene Gilbert came second.

To finish off the year we had our Xmas Party and Presentation and look forward to see what the new year holds.

Happy Christmas
