NOTICE OF RESOLUTIONS FOR ANNUAL GENERAL MEETING

For the Year Ended 30 April 2021

NOTES TO MEMBERS

Under the Registered Clubs Act, the Club is required to offer benefits equally to all members unless the members pass a resolution to approve different benefits for certain members. This Ordinary Resolution is to have members approve the reasonable expenditure by the Club (until the next Annual General Meeting) in relation to Club-related activities of Directors and the professional education and development of Directors. In certain instances, members of the Club other than Directors would also receive benefits specified in the resolution.

In particular, the purpose of the Club's expenditure on professional development and education of directors and other members (paragraphs (c) to (f) above) is to assist the Board keeping up to date with current trends, legislation and developments that could affect how the Club conducts its business in the future.

The Club's expenditure on Director benefits will be recorded in the Club's accounts.

The Board of the Club recommends the Ordinary Resolutions to members.

Chairperson's Report

For the year ended 30 April 2021

To borrow a quote from Hamilton, The Musical – 'look at where we are, look at where we started. The fact that we're alive is a miracle.' I am pleased to report a summary of actions and improvements within Bowral Bowling Club Limited over the past year. Many people will only look at the financial result of a profit of \$320,900 including depreciation, a significant improvement of the losses of \$155,508 in 2019 and \$150,034 in 2020. The 2021 result includes being closed for the first 6 weeks of the financial year with COVID restrictions, but it also includes support payments for small businesses and JobKeeper payments and whilst these have been well earned and managed, a proportion of them should be considered "one-off" events and are unlikely to recur. The result should also be seen as a product of implementing our business plan, growing our membership, our services on offer, increasing patronage and the monitoring and control of expenditure. I wish to report on our Business Plan implementation progress.

Improved Corporate Governance Structures: The Constitution was amended to increase the Board to 9 with two social members being able to become Directors. Greg Mackay and Carl Peterson have brought fresh thinking to the club operations and risk management. The approval of 3-year terms for Directors has provided stability on the Board and allowed us to concentrate on long term planning and development. The By-Laws have been updated to reflect the position of Activities Coordinator and the operations of the Bowral Bowling Club to have the autonomy that the Women's club have.

Improved Services for Families and Children: We have completed a children's play area outside and applied and won a grant to create a dedicated indoor play space. We have implemented special family days with face painting, music inside and outside sports events. We have assumed the catering contract to implement price benefits for members.

Improve Social Media Engagement: Our Instagram followers have increased from 100 to 800 and Facebook followers now number 1500 from 800. Our average Google review in the previous 12 months was 4.5 stars up from 3.6 in previous years. We have implemented a monthly newsletter for our members and are active on Facebook and supporting our business partners and we have implemented a welcome email to our new members.

Open New Markets with Community: We have become the new home for the Bowral Farmers Market, we are the main live music venue in the Southern Highlands showcasing local and international artists in an intimate and COVID safe space which the performers and audience love. Our event management team are broadening the services we provide to include weddings and post wedding parties, birthdays and wakes. We have commenced exercise classes, pinot and painting and meeting places for our community service clubs. We became an approved Dine and Discover venue. Our bowling members have increased by 24%, we now have 47 croquet members.

Club Refurbishment and Replacement: We have completed projects such as car park resealing, purchasing the solar panels, new outdoor furniture, outdoor heating, LED lighting and actively pursue club grants for upgrading our sound equipment and bathroom upgrades. We have plans to repair our damaged synthetic green in early 2022.

All of this work saw us awarded the 2ST Southern Highlands Club of the Year and be recognised as a finalist in the Clubs NSW Club of the Year.

I would like to congratulate all of the winners of our bowls events and the Presidents, Executives and Bowls Coordinators of the bowling clubs for their hard work and skill in the running of the game and introducing it to new bowlers.

I extend the deepest sympathy to our members who have lost a friend or a family member and to all families and friends of our members who have passed away this year; with a special mention of Dan Ticehurst, our indefatigable Bowls Secretary. I am glad he was able to present the trophy of the inaugural Ticehurst Triples to the 2020 winners.

These outstanding results can only have occurred with our adherence to our business plan, the right manager in Tony Dunn and staff that understand the culture of customer service and hard work; the Board examining our existing contracts and expenditure and improving on them; actively seeking out sponsorship opportunities and new markets. We have taken on risk when it comes to catering and the activities coordinator and these are showing a return on our investments. The constitutional changes have modernized our governance structure and will provide stability over future years. We are building an inclusive club which matches our Board and our community to reach our vision to be the best community and sporting club.

Thank you to all of our members for their patience, understanding, support and adherence to the health guidelines during a turbulent and challenging year.

General Manager's Report

For the year ended 30 April 2021

Dear members.

Well, what a ride this year has been, some downs, some highs and some bumps along the way, glad to say we have come out on the other side.

My tenure thus far has been exhilarating to say the least, starting with COVID, then floods, storm damage and another closure (clerical error), more flooding, loss of caterer (again) and the challenges of taking kitchen back into the Club's control and revenue. I can say if we survived this then we are doing ok.

I am fortunate and thankful to the members who have allowed me and my team to bring back the vibrancy to the Club. With introduction of multiple community activities whilst increasing our bowling demographic and the inclusion of the croquet group, I can honestly say we are a force to be reckoned with

We started this year operating as a bottle shop, and I am thankful to both our suppliers (local wineries) and our members that were supporting us during this lockdown. I would also like to thank my staff and the members for their patience whilst we navigated through this ongoing restriction process - the way that we humans are able to adapt does nothing more than amaze me.

We have achieved this year what some businesses would not be able to do in two or three years - successful grant applications, new corporate sponsors, addition of the markets, upgraded and amended show nights, moving of coffee machine, buying out of solar panels, newly created 'beer garden', ongoing kid's areas, plans for upgrading the Club's interior – to say the least. This has only been achievable by strong governance, strong financial control and smart planning. My thanks to everyone for their support with all these endeavours.

There have been a lot of firm Nos (the board would agree) from me in these last 12 months but I hope you'll all agree that this has definitely put us in a position to upgrade, maintain and invest in our club.

The increasing numbers of patrons and new faces have blended well with our back bone of existing and long-standing members and I thank you again for your loyalty and your open arms to these changes and new faces.

I would like to acknowledge Raj, our caterer and thank him for being a part of turning the kitchen around, Terry for his long service and help throughout the years, Izzy our duty manager/chef/all-rounder for just getting the job done. I would also like to thank my wife Kate for all her support, her insight and her design skills, she has been a key part of where we are in the community and also in creating our brand identity.

Lastly, I would like to thank the Board for their strategic plan, their strong governance, the smart restructuring of the Board by implementing a three-year term, plus the addition of the social directors, as well as the reliability and help they have provided me during this year. They have supported me with my decisions in operating and utilising the venue to maximise the potential. I would like to thank Kay our bookkeeper for working tirelessly in implementing new reporting systems, navigating COVID subsidies and managing the membership renewals; a job well done.

Finally, I would like to pay my respect to Dan Ticehurst for the loyalty, hard work and friendship he has given me in this last year. He will always be dearly remembered within the walls of this Club.

We invite you all to attend our AGM which will be held on Sunday 29th August at 11am.

President's Report

For the year ended 30 April 2021

Dear Members,

The last year at our Bowlo has been a challenging year. The country has battled the COVID-19 virus and the impacts of the virus with varying levels of success. Our club was closed for part of 2020, which threw out our schedule of events for the rest of the year. There was also impact on many Zone and State events.

Speaking of Zone events, our 2020 Pairs champions, Stephen Della and Kevin Stafford, went on to win the Zone5 Champion of Champions Pairs final, then represented Bowral at the State championships. These championships were delayed until March 2021 because of COVID-19. Terrific effort from Stephen and Kevin – something we can all aspire to.

Our membership has increased a little, and our Pennants teams were bolstered by the inclusion of some great lady players for the first time this year. We managed to get a full Pennants season in this year in spite of the dreaded virus. Unfortunately, none of our sides (in Grades 2, 6 and 7) were close to winning their grade this year. So, a year of consolidation and building. We have plans for an earlier start to our Pennants preparation for next year's competition, including coaching clinics, internal trials, and at least 3 external trials, which we will hopefully be able to host.

As a club we voted on the unification of the administration section of the state bowls organisations for men and women, and I'm pleased to report that we voted unanimously in favour of the amalgamation. This is the first step towards fully integrated bowls, which I wholeheartedly support.

Our synthetic green is scheduled to be replaced in February/March 2022 and will undergo a minor renovation to eliminate the current bumps and hollows in July/August. The Springett green has come back in this year in great condition. Apparently, it will come out for maintenance again at the end of November, which will impact the scheduling of some of our trials, but we'll cope and plan around that.

We lost a great contributor to our club this year in Dan Ticehurst. I will always remember Dan with great respect and fondness because of the time we spent as President and Secretary during a very difficult time for the club. We also lost Dave Noble, who joined us as a new member this year and won the 2021 Minor Singles before passing away only a short time later. We will miss Dan and Dave very much.

We've seen a great increase in the amount of sponsorship that we've attracted as a Bowls club. Financially we're in a solid position and we have plans to grow both membership and sponsorship further still.

Over the next year I'd like to improve the planning of our calendar for future years so that we can eventually get to the position where we can publish a calendar of events prior to the start of each new year. I'd like to see us continue to grow and expand, both as a social bowling club and as a competitive club. I'd like to see us implement a junior program and attract junior members (and hopefully their mums and dads too). We need to honour and respect our past, and also grow into our future. We need to make sure that bowls stays alive as a great sport in our area.

Activity Coordinator's Report

For the year ended 30 April 2021

Dear Valued Members.

With 2020 being a difficult year for all licensed venues due to Covid-19, it seems it has been a blessing in disguise for Bowral Bowling Club including its lawn bowls aspect.

Since taking on the Bowls Secretary position from the late Dan Ticehurst in September 2020, I have strived to increase participation in all aspects of lawn bowls at your Club. Our Social Bowls attendance on Wednesdays has increased significantly with our Saturday social showing a slight increase in attendance. Recently, I have introduced a strategy to increase our Social Bowling numbers on a Saturday that encourages all levels of bowling abilities to play together. This has seen a slight increase in attendance however weather has been a contributing factor in numbers.

The introduction of three new annual bowling events has been implemented to increase participation in Major and Minor events. These events are yet to be played and I am eager to see results. We saw record entries (for some time) in both Major Singles and Major Pairs events in 2021. Our Major Triples and Major Fours are yet to be played and I anticipate we will see increased nominations for both events.

Total bowling attendance from October 2020 to July 2021 is 2,379. This is an increase for the same period last year however COVID shut down for 3 months had a major influence on these figures.

Barefoot Bowls saw a record number of attendees. A total of 1323 unique people played Barefoot Bowls from September 2020 to April 2021. Bowral Bowling Club has never seen attendance like this. Bowral Bowling Club has been the preferred bowling club in the region for barefoot bowls and we believe next season will be better again.

2020 and 2021 daylight saving time period we introduced Walk Soccer on our Synthetic green (The North Green) with an overwhelming response. A number of players from various age groups attended and enjoyed a surprisingly challenging twist to the sport of soccer. During the 5-month period 68 different people played with a regular group all ways attending each Wednesday afternoon. Again, this will commence mid October 2021 and operate until mid-March 2022.

Overall, the 20/21 lawn bowls season has shown excellent growth. With the introduction of a Junior Development program that will focus on representation and a new strategy used in seeking junior bowlers, we believe 21/22 season will be bigger and better again from the previous year.

Carl Spilker.

Bowral Women's Bowling Club President's Report

For the year ended 30 April 2021

Hello all

As this is my last report as President, I would like to thank you all for your support and friendship on and off the bowling green and a big thank you to those who work behind the scenes to keep this wonderful Club going.

Our main charity is Can Assist SH and is well supported by all, thank you.

The Ladies Club has 53 registered members. Playing days are Tuesday and Thursday. All bowlers are welcome, male and female.

Unfortunately, Southern Tablelands District W.B.A. has only 2 clubs, Bowral and Picton. Now that unification has taken place at state level, we are waiting to see what will happen to our District.

Club and District Championships were strongly contested with mixed results. Congratulations to all players. Some Regional playoffs still on hold because of health restrictions.

We are hoping to hold our Tulip Time Carnival 2021 as we already have a full entry list with 28 teams.

I wish all incoming Executives and Committees every success.

Stay healthy and happy bowling to you all.

Thank you.

Bowral Women's Bowling Club Secretary's Report

For the year ended 30 April 2021

This year has been the complete opposite to 2020. We have had problems with rain which caused closure of the green for a period of time disrupting our programme, but our Match Committee has been able to complete the competitions.

We are pleased to welcome to our Club, 10 new members and 4 ladies who transferred from Goulburn. Our current membership registered with NSW at 30th June 2021 is 59. Sadly, we mourned the passing of Life Member Fay Jones. She will be missed.

New Members: Jeanette Bunker, Judi Ford, Beverley Foster, Maria French, Barbara Horne, Alexandra

Lamb, Alice Moore, Christina Philp, Sue Pritchard, and Elizabeth Shepherd.

From Goulburn: Maxeene Thompson, Christine Croker, Jennifer Pearce and Margaret Lawless.

Thank you, Gail, for your encouragement given to these ladies.

Unfortunately, our Annual Fashion Parade and our Tulip Time Tournament were cancelled due to COVID-19. Hopefully we will be able to hold these events during 2021-2022. Our Christmas Lunch and Fun Bowls was held with members enjoying the day and a small Christmas gift. The Christmas Hamper in aid of Can Assist was a success. We also had our Easter and Mother's Day Hampers for Can Assist. Our donations were greatly accepted.

President, and Life Member Nancy Pope, is finishing her term as President this year. Nancy has been associated with our club since 1975 during which time she has also served on the District Committee and was State President for a term. Thank you, Nancy, for your guidance over the years. Vice President Susan Jackson will also step down this year. Sue transferred from Bundanoon and has been a great asset for our club. Life Member, Janet Hendrie has stepped down as Patron of our club due to ill health. We thank her for her service and wish her well.

The club entered a Grade 2 and a Grade 4 Pennant team this year. They both were successful going on to the Regional Play Off. We were not winners but represented our club well.

Our Club Champions for 2020-2021:

Club Singles Irene Gilbert R/up Lynne Boshier

Club Pairs Pam Christensen/Enid Brown R/up Elizabeth Hall/Gail Fraser

Club Triples Lorna Lewis/Marian Scriven/ R/up Pam Christensen/ Ann

Sylvia Handley Brenning/Enid Brown

Club Fours Irene Gilbert/Elizabeth Hall/ R/up Ervy Richetti/Pam

Alison Pryce/Sylvia Handley Christensen/Christie Williams/

Marian Scriven

Consistency Sue Jackson R/up Gail Fraser

Minor Singles Sarah Fahey R/up Irene Gilbert

Thankyou Gail for organising our bowling programs.

A special thanks to our committee for all their assistance during the year, it has been greatly appreciated.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis for Preparation

Bowral Bowling Club Limited applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards.

The financial statements are general purpose financial statements that has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Revenue

Revenues are recognised at fair value of the consideration received or receivable net of the amount of goods and services tax (GST) payable to the taxation authority. Transfer of goods or services of the same nature and value without any cash consideration are not recognised as revenues.

Revenue from the sale of goods comprises of revenue earned from the provision of food, beverage and other goods and is recognised (net of rebates, returns, discounts and other allowances) at a point in time when the performance obligation is satisfied that is on delivery of goods to the customer.

Revenue from rendering services comprises revenue from gaming facilities together with other services to members and other patrons of the club and is recognised at a point in time when the services are provided.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

The gain or loss on disposal of property, plant and equipment is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs) and is recognised as other income at the date control of the asset passes to the buyer.

(b) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(c) Trade and Other Receivables

Trade debtors and other receivables represent the principal amounts due at balance date plus accrued interest and less, where applicable, any unearned income and provisions for doubtful accounts.

For the year ended 30 April 2021

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Trade and Other Receivables (cont'd)

Current trade and other receivables are non-interest-bearing loans and generally on 30-day terms. Current and non-current trade and term receivables are assessed for recoverability based on the underlying terms of the contract. A provision for impairment is recognised when there is objective evidence that an individual trade or term receivable is impaired. These amounts have been included in the other expenses item. There has been no movement in the provision for impairment in receivables during the financial year.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs have been assigned to inventory quantities on hand at balance date using the weighted average basis.

(e) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and any impairment losses.

Freehold property

Freehold land and buildings are shown at fair value based on periodic valuations by external independent valuers, less subsequent depreciation for buildings. In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuations to ensure the carrying amount for the land and buildings is not materially different to the fair value.

Increase in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of the revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & Equipment	7.5% - 22.5%
Furniture, Fixtures & Fittings	7.5% - 40%
Gaming machines	20% - 40%

For the year ended 30 April 2021

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Property, Plant and Equipment (cont.)

Depreciation (cont.)

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation relating to that asset are transferred to retained earnings.

Core Properties

All the Club's property at 40 Shepherd Street, Bowral.

Non-core Properties

There is no non-core property.

(f) Right-of-use Assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the consolidated entity expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Company has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(d) Leases

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred. Lease liabilities are secured over the rights to the hire purchase assets recognised in the statement of financial position which will revert to the lessor if the company defaults.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

For the year ended 30 April 2021

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D) (e) Impairment of Assets

At the end of each reporting period, the company assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (eg in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

(f) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy any vesting requirements. Those cash flows are discounted using market yields on corporate bonds with terms to maturity that match the expected timing of cash flows.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

(g) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(h) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(i) Intangible Assets

Poker Machine Entitlements

Poker machine entitlements are considered as intangible assets as per AASB 138 and any additional acquisitions of entitlements are to be accounted for at cost plus any related acquisition costs. They are considered to have an indefinite life and as such are not amortised.

The Club currently holds 24 poker machine entitlements. They were originally allocated for no consideration when the Club commenced.

For the year ended 30 April 2021

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(j) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(k) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(I) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(m) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

The company's land and buildings were revalued at 30 April 2011 by independent valuers. The valuation was used to assist the directors in determining a valuation of land and buildings at 30 April 2011. Valuations were made using the price that would be received to sell the asset in an orderly transaction between market participants at the measurement date. The revaluation surplus net of applicable deferred income taxes was credited to an asset revaluation reserve in equity.

INDEPENDENT AUDIT REPORT To the Members of Bowral Bowling Club Ltd,

Opinion

We have audited the financial report of Bowral Bowling Club Ltd, which comprises the statement of financial position as at 30 April 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Bowral Bowling Club Ltd. is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the company's financial position as at 30 April 2021 and of its financial performance for the year then ended; and
- complying with Australian Accounting Standards Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the directors' report for the year ended 30 April 2021, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the

Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
 of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
